CONFERENCE AND EVENTS

THE MANY COLOURS OF NEWBURY RACECOURSE

At Newbury Racecourse we are a lot more than just a racecourse: we're the perfect place to run an exhibition, hold a conference, lay on an event or perhaps serve up a banquet. There are so many other reasons why you might want to bring people together. So why not try the many colours of Newbury Racecourse for yourself!

BE PART OF THE EXPERIENCE

We run conferences from 10 to 1,000 guests, and our newly refurbished spaces in our Berkshire Stand are perfect for conferences from 10 to 100 delegates. Adding to this our newly built Owners Club - a light and contemporary space for up to 220 - while our Racegoers Suite can hold up to 500 in theatre-style layout. Plus, we have over 30 syndicate rooms to support larger conferences with separate areas for meetings, workshops, seminars and breakouts.

CATERING TO YOUR
EVERY DESIRE

Our multi award-winning catering team, renowned for its first-class raceday dining experience, serves up the same level of quality, dedication and service for our banqueting events. Lay on an exclusive private dinner for up to 40 guests in the Royal Box. Run a breakfast seminar or corporate lunch for up to 220 in our Owners Club. Or hold the perfect awards ceremony for up to 500 guests in our Racegoers Suite.

THE GREAT OUTDOORS

Of course, some events need plenty of fresh air and open space to be a success. With acres of outdoor grounds, including lawn and tarmac areas, Newbury Racecourse makes a truly stunning backdrop for any outdoor event. How about your organisation's summer family fun day? A company-wide corporate team-building day? Or a music or arts festival or a sports event, such as a charity bike ride. We can even create your own event campsite.

STANDING OUT FROM THE CROWD

All the space. All the flexibility. And all the latest technology, such as pay-on-entry systems. All you need to make your exhibition a success. We also have a pillar-free ground-floor exhibition space in our Dubai Duty Free Grandstand, along with a total ground-floor space of 2,000sqm. Plus, an extra 4,000sqm hard-standing space next to the exhibition halls. And as you'd expect, catering, café and bar facilities, on-site security and 24-hour access.

A GREAT DAY DESERVES A
GREAT NIGHT SLEEP

The Lodge is our new 36-bedroom hotel. It provides the perfect overnight accommodation for event organisers and delegates, at preferential rates. Think luxury cotton bed linen, super-king beds, and a hearty and healthy breakfast to start your day. It's also just a short walk from Newbury Racecourse train station. If you need more rooms, just ask and we'll be happy to recommend other 3*, 4* and 5* accommodation within 10 minutes of the racecourse.

WHAT MAKES US SPECIAL

Convenient location. Excellent facilities. Incredible versatility. The 'wow' factor. Four things you can tick off your list of essentials next time you're looking for a venue. But Newbury Racecourse has a lot more going for it than where it lies on a map, the size and flexibility of its conference facilities, its ample outdoor space, or stunning setting. What you can't see is the experienced, expert team behind so many successful conferences, corporate days, banquets, exhibitions and events. A team ready to work for you.

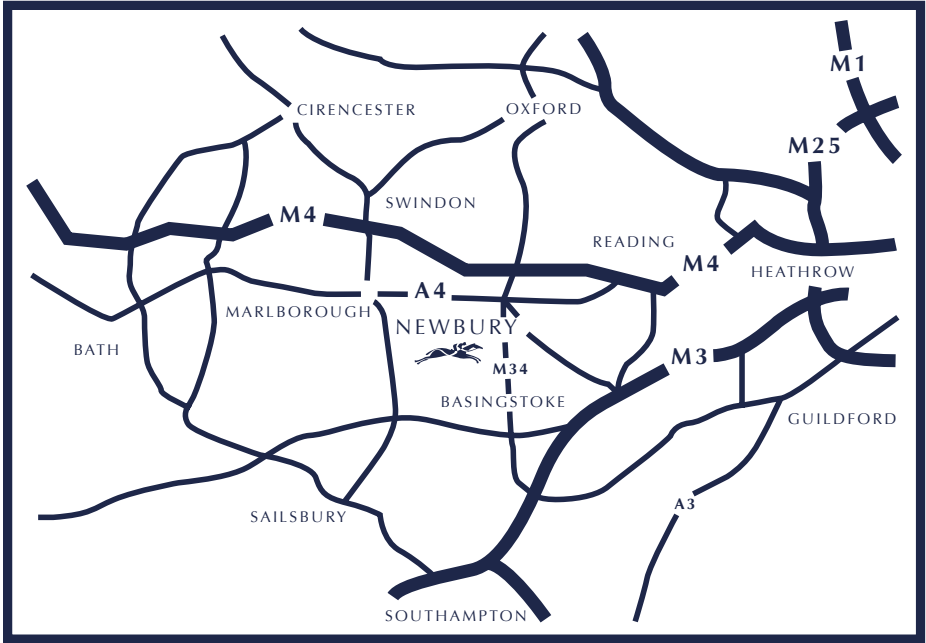

A FIRST CLASS LOCATION

Just off the M4 (junction 13), Newbury Racecourse is perfectly located to receive visitors, however they travel. Drivers have more than 3,700 free car parking spaces. The racecourse has its own mainline train station with direct links to Reading and London Paddington. Plus, we're on the bus route from Newbury town centre. And if you have VIP guests who prefer to travel by helicopter, we have a special landing area for them too.
